## JACK O' LANTERN TEMPLATES

# 1: PRINT TEMPLATE

Select and print your template, found on pages 3 & 4 of this PDF. You may need to scale it using your print settings to fit your pumpkin.

# 2: TRANSFER TEMPLATE TO PUMPKIN

Tape the template to your pumpkin

Poke holes along the lines of the template to create a perforated guide on the pumpkin. Remove the template.

# 3: CARVE!

Follow along the perforated lines on your pumpkin to carve your design.

Once you carve your design put a candle inside and refine your edges as needed.
